EDvestinU is a loan product of the New Hampshire Higher Education Loan Corporation

* To pre-qualify, a soft credit pull will be conducted that will not affect an applicant's credit score. However, if an applicant elects to continue and submit an application, a full credit report from one or more consumer reporting agencies will be required, which is considered a hard credit pull and may impact the applicant's credit score.

¹ The interest rate reduction for authorizing our servicer to automatically deduct monthly payments from a savings or checking account will not reduce the monthly payment, but will reduce the monthly finance charge, resulting in a lower total cost of loan. Loans that are in a deferment or forbearance are not eligible to enroll and receive the automatic payment benefit until they enter into repayment.

² Cosigner Release allowed if an account is in current standing, after 36 months of consecutive & on-time payments (or fewer, as required based on borrower's state of residency), with a borrower FICO >699 and minimum income requirement of \$30,000 for loan balances up to \$100,000, and income requirement of \$50,000 for loan balances over \$100,000 with no foreclosures, repossessions, wage garnishments, unpaid judgments or other public records having an open balance exceeding \$100 during the last 7 years. Borrowers must also have a debt-to-income ratio of 43% or less and not currently be involved in bankruptcy proceeding or had any bankruptcy filings during the past 10 years and cannot have any defaults on education loans.

³ Visit www.edvestinu.com/state-eligibility for a listing of eligible states based on applicant residency.

⁴ Borrowers should research what Federal Student Loan benefits they may be eligible for before choosing to include these loans in an EDvestinU Refinance Loan. We encourage you to speak with your Federal loan servicer and/or research the options.
